Vandalism on Increase in Griesbach Barracks

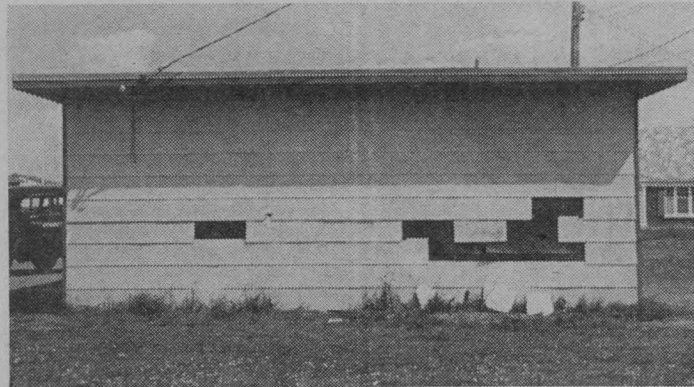

It is doubtful if there are any Griesbach residents who would stand by and watch wilful damage being done to their property without doing something about it.

It is equally doubtful that a Griesbach resident would knowingly permit a member of his family to deface or destroy the property of others.

Yet it is a fact that both these instances of community and parental neglect have been occurring daily in the Griesbach area.

Recent deliberate damage to buildings and utilities in the Griesbach Barracks area has increased alarmingly during the past few weeks. Broken glass scattered throughout the area, broken and missing cover and hinge plates on car heater outlets, damage to lawns and recently sodded areas, broken windows and defaced garages are only a few examples of deliberate acts of vandalism which have occurred.

The term "vandalism" derives from an ancient Germanic race who ravaged and destroyed through ignorance and a complete lack of moral values. A "vandal" is defined as a "wilful or ignorant destroyer." And it follows that an individual who observes an act of vandalism without either reporting the incident to the proper authorities or taking other corrective action is guilty, in effect, of participating in that act of vandalism.

Every Griesbach resident pays for this

Buildings and utilities provided by the Canadian Government for soldiers and their families have been paid for and are being maintained out of the taxes collected monthly as a convenience by the Army out of every soldiers pay. It is only reasonable for each serviceman to expect that his tax dollars are being wisely spent and not wasted on unnecessary repair and replacement.

In order to ensure that public property — your property — is properly and economically maintained, that your entitlement as a taxpayer is guaranteed, and that you can take warrantable pride in your Army community, you must do your part in seeing that these acts of vandalism cease.

Anyone observing acts of wilful damage should report the incident immediately together with the names of individuals involved.

It is always easier to adopt the "let someone else do it — I don't want to become involved" attitude, but by so doing one is only letting down himself, his family, his community and his chosen profession.

Time on Your Hands

If so, there are few more worthy projects that require help than the Edmonton Home for Ex-Servicemen's Children. Located at 9936 - 103 St., this organization is run with sufficient help for necessary supervision and maintenance only.

To the males of the area who are handy with a hammer or paint brush, there are always a multitude of small jobs that require looking after around the Home that can't be done with the hands, available. If you have an hour or two to spare this week or next, or an evening hanging heavy — phone GA 2-7702 and offer your services for the time they are available. Not only the Home staff will appreciate it, but approximately eighteen children are going to consider it a personal favour.

Speaking of the children they are running short sports equipment. Since you'll be going that way to lend a hand, why not take along any article of sports equipment your own family may have outgrown.

Notice to Parents and Children

A bicycle is a handy machine for transportation if used in the correct manner. However, if used wrongly it can also be a death dealing machine.

The following rules should be adhered to, not just because it is against the laws of our country but for personal safety sake.

- * Never ride with two on a bicycle unless it is a tandem.
- * Always signal your intentions to change direction.
- * Never change direction suddenly, this doesn't give the motorist much of a chance.
- * Always keep to the right edge of the road.
- * Ensure your bicycle is equipped with a front and rear light if you use it during the hours of darkness.
- * Keep your bicycle in good repair, ensure the brakes work properly so you can stop fast in an emergency.
- * Always obey all traffic signs and regulations. A STOP sign means exactly at it says — STOP!
- * Always ride in single file, never two side by side

Remember, adhering to these rules may save your life or the life of someone else.

Parents — please speak to your children and instill the need for safety in them. Remember they are junior drivers who will soon be driving more powerful machines.

"Don't just stand there — someone throw the sargent-major an anchor!"

Inspection of gardens carried out on the week-end of 6-7 Oct. The owners of those gardens which passed inspection were refunded their \$7.00.

A boy, away at Scout Camp, wrote his parents: 'Dear Mom and Dad, Please rush some food packages. All they serve here is breakfast, lunch and dinner.'

Set High Academic Standard

Left to right: front row: Mr. H. L. Ulmer, Principal of Griesbach School No. 1, Lieut.-Col. H. Goodfellow, chairman of the Griesbach School Board and Mr. W. V. McNeil, Supervising Principal of Griesbach Schools. Back row: Michael Smith, winner of a U.N. scholarship; Gordon Anderson, winner of the Governor-General's medal and a \$50.00 cheque; Lehley Routledge, winner of the Griesbach Association \$50.00 prize; Helen Millen, winner of a U.N. scholarship, and James Nickerson, winner of a UNICEF scholarship.

Griesbach Students Excel

A total of eighty-two students from Griesbach took grade eleven last year. Of this group, seventy-eight passed the year-end examinations and, of this group, four pupils gained an honour standing.

The grant of \$50.00 given by the Griesbach Garrison Regimental Funds to the boy and girl making the best academic standing has been awarded to Gordon Anderson, son of Capt. and Mrs. G. Anderson, 2 P.P.C.L.I. and Leslie Routledge, daughter of Lieut. and Mrs. R. Routledge, Alberta Signal Squadron.

In addition to the grant of \$50.00, Gordon Anderson has also been awarded the Governor General's Medal for Scholastic Achievement. Five medals were awarded within the City of Edmonton and to have qualified for one award is a great honour.

The Griesbach pupils attending Queen Elizabeth School during the past year also gained awards for scholastic achievement. Jim Nickerson, son of Major and Mrs. C. D. Nickerson, was selected to attend the UNESCO Seminar at the University of Alberta. Helen Millen, daughter of Colonel and Mrs. H. A. Millen, and Michael Smith son of Major and Mrs. Ian Smith, were selected to attend the U.N. Seminar at the Banff School of Fine Arts.

British Units here for Winter Training

OTTAWA — Two groups of British regular soldiers will train in Canada this winter to get experience in winter warfare techniques.

The units are "O" Battery of the 2nd Regiment, Royal Artillery, and a parachute company group from the 3rd Battalion, The Parachute Regiment.

The 120 gunners will train at the Royal Canadian School of Artillery at Camp Shilo, Man., from Nov. 12 to Dec. 15. They will bring their 105-millimeter pack-howitzers with them. The Canadian Army does not use this piece of equipment. The battery will do cold weather firing and practice winter gun drills.

A total of 169 parachutists will arrive at Fort Churchill on Jan. 28 next year, take a 13-day winter indoctrination course there, and go on to the Canadian Joint Air Training Center at Rivers, Man., for winter parachute training. They will return to the United Kingdom Feb. 28.

Each group will be flown from England by two Britannia aircraft of the Royal Air Force transport command.

The artillery training exercise is called "Bright Water", and the parachutists' is dubbed "Frozen Jump".

Father Ritza Retires

EDMONTON — Lieut.-Col. L. S. Ritza, Command Roman Catholic chaplain for the Army's Western Command will retire from the regular Army this month, it was announced by Western Command Headquarters.

Father Ritza, as he is known to thousands of Canadian soldiers overseas and in Canada, enlisted in the Army as a "Padre" in 1943. He served in the United Kingdom and Northwest Europe during the Second World War as chaplain with the 2nd Canadian Infantry Brigade.

Col. Ritza has been command chaplain in Edmonton from 1946 to 1953 and from 1958 until the present. Prior to his posting here he

Revise Method of Selecting Griesbach Council

In a directive issued recently by Brigadier G. C. Leech, OBE, CD, Commander Alberta Area, the Terms of Reference for the Griesbach Community Council were reviewed and revisions were made to remedy certain weakness that had been found in councillor representation.

Former System Unsatisfactory

The previous 'Terms' provided for a Council consisting of a Chairman, Deputy Chairman, Secretary - Treasurer and thirteen councillors. The Chairman and Deputy were appointed by the Area Commander and the Secretary-Treasurer selected by the Chairman. Councillors represent the residents of thirteen separate wards were provided by one of two methods. Either by nominations from residents or wards (if more than one nomination was made within a ward, an election was held) or, if no nominations were received, the Chairman attempted to obtain a volunteer whenever a vacancy occurred.

This system proved unsatisfactory for the following reasons. Firstly, despite exhortations through the Bugle, nominations for councillors were never forthcoming. Even if such nominations were made, the rapid turnover of residents would result in too frequent elections. Secondly, the Chairman found it most difficult to locate suitable individuals who were willing to voluntarily assume a councillor's position. For this reason, and because of the rapid turnover of councillors due to postings, retirements, etc., it has been impossible to maintain a full slate of councillors.

Representation based on Unit Strength

To overcome previous difficulties, a new system of providing councillors has been established. The principle of this system is representation of the population on a unit basis rather than by wards. By this means it will be possible for unit commanders to ensure selection of suitably qualified and interested individuals.

On this basis, the total of 759 Married Quarters is being used as

was command chaplain with Central Command Headquarters in Oakville, Ont.

A native of Barry's Bay, Ont., Col. Ritza received his B.A. at St. Mary's College, Orchard Lake, Mich., and received a degree in Philosophy at the University of Ottawa. He studied Theology for four years at St. Peter's Seminary, London, Ont.

Col. Ritza is Roman Catholic chaplain to the Ex-service Womens Branch No. 215 of the Canadian Legion in Edmonton.

the approximate total serviceman population of the community. To provide the thirteen councillors necessary to maintain a full slate, one councillor will be required for approximately every fifty-eight servicemen. Where necessary, units have been combined to result in a total population near the figure 58 or a multiple factor thereof.

With this break-down, councillors will be provided in the following ratio:

- * HQ Western Command, Western Command Pay, Command Dentals and 11 Company RCDC — two councillors.
- * HQ Alberta Area and HQ Alberta Area "I" Staff — one councillor.
- * HQ RCE, 13 Works Company, HQ RCME, 13 Company RCME and 224 Workshop RCME — one councillor.
- * HQ RCCS and Alberta Signal Squadron RCCS — one councillor.
- * HQ RCASC and 13 Company RCASC — one councillor.
- * HQ RCAMC, 10 Detachment RCAMC, Western Command Provost Company and 10 Service Detention Barracks — one councillor.
- * HQ RCOC and 17 Regional Ordnance Depot — one councillor.
- * 2 PPCLI — three councillors.
- * PPCLI Depot and PPCLI Band — two councillors.

Provides Female Representation and Overlap in Term

To help accentuate the importance of activities for the ladies and girls of the Community, the desirability of having some ladies on the council has been emphasized. Serious consideration is, therefore, being given to the selection of some councillors from the wives of servicemen living in Griesbach.

In order to further ensure continuity in council management, six councillors will serve for the term 1 Jan. to 31 Dec. and the remaining seven councillors for the term 1 Jul. to 30 Jun.

The term of office for councillors will be one year and it is proposed to establish this new system in time for the next Council Meeting to be held in the Conference Room at Command Headquarters on 21 Nov. 62 at 7:15 p.m.

IMPROVED DESIGN PAYS OFF

Inventor Sgt. Joe Frasson at work.

WINNIPEG (Special) — A 33-year-old Woodstock, Ont. soldier with a flair for inventing things, recently picked up his second award in four years for suggesting and developing improvements on Army equipment.

Sergeant A. J. 'Joe' Frasson of 213 Workshop R.C.E.M.E. pocketed a money prize and commendation certificate for his part in designing an improvement mount for .30 calibre machine guns carried on Army scout cars.

It was developed with help from Craftsman T. B. 'Tom' O'Mara of St. Catharines, Ont., while the pair were on a two-year tour in Germany with Canada's N.A.T.O. Brigade. They returned home last November.

The designers worked in their spare time and used scrap material to build a working model. Their interest in the project was roused when soldiers using the old mount complained about the restricted field of fire of their guns.

The two men split a \$40.00 award made by the Suggestion Award Committee who tested the new mount on the Department of National Defence at the Army proving grounds in Ottawa. Each received \$17.00 after taxes.

It bumped the sergeant's invention take to \$125.00. He was awarded \$108.00 by the Committee in 1958 for designing a ladder carrier which is now used on Department of National Defence fire trucks.

To cut marshmallows easily, dip a dry pair of scissors into powdered sugar and cut with them.

Promotion Exams

OTTAWA — School may just have begun for the country's small-fry, but for more than 500 officers of the Regular Army, examination time is here right now.

Approximately 350 captains and 200 lieutenants will write their "special to corps" professional advancement exams at various military installations across Canada between now and the end of the year.

The examinations are usually a 24 to 48 tactical exercise without troops, and the examining boards of officers pay particular attention to the practical application of previous theoretical examinations.

Regular Army officers must successfully pass two sets of examinations before becoming qualified for promotion.

TOWN TALK

A popular and well attended social event last month, was the Cooking School held at No. 1 School by Shibley's Tom Boy Store and sponsored by Our Lady of Fatima C.W.A. and St. John's W.A.

On three successive evenings, residents of Griesbach and visitors from out of camp, were skillfully instructed on the preparation and cooking of many delicious and appetizing dishes. Presiding over the school was Miss Dot West of Westfair Foods Ltd., a genial hostess, full of hints and cooking tricks for the eager-to-learn housewives, and husbands, that turned out in numbers to participate in this interesting and unusual evening. For instance, did you know that wilted lettuce leaves will remove excess grease from stews, soups, etc., and egg white brushed on a pie shell will prevent it from becoming soggy from the filling?

Winner of the beautiful Westinghouse electric stove was Mrs. Elizabeth Imley, and many other gifts were presented to the audience,

including the wonderful food cooked at the school. It was grand entertainment for the whole family — and free too.

I am sure there are quite a few parents in camp who will join me in thanking the Padres of St. John's Chapel for starting a special service and programme for the teenagers. It is really appreciated and we wish them every success in their new venture.

Yet another group of people to be congratulated are the coaches and organizers of our junior and teen sports. They are doing a wonderful job, let's give them all the help we can.

For you ladies whose husbands snore, did you know that a small piece of adhesive tape across the corners of the mouth will discourage the habit? If they insist on sleeping on their backs — sew an empty thread spool to the back of the pyjamas!

Finally, a reminder about the St. John's W.A. Bazaar, remember the date — November 3rd on Saturday, from 2:30 p.m. to 8:00 p.m. Be sure to attend.

Back to School Proves Profitable

The third and final night of the Dot West Cooking School held in the auditorium of No. 1 School on 18 Oct. 62 proved profitable in more than knowledge for Mrs. Elizabeth (Betty) Imley of 10232 - 140 Ave., Griesbach Barracks. One of an approximate thousand to attend the School during its three night stand, Mrs. Imley was the winner of the draw for the Westinghouse Deluxe Model electric stove. Pictured above, Mrs. Imley receives congratulations from Mr. Bug Shibley of Shibley's Tom Boy Store, sponsors of the School, while Dot West looks on.

— A REAL SHOW STOPPER —

"A smash hit."

This was the general opinion expressed by everyone who saw the Canadian Tattoo, highlight of Canada Week at the Seattle World's Fair.

"The Canadian Tattoo has become and will ever remain in history, the greatest and most thrilling spectacle of the Seattle World's Fair."

That was the sentiment expressed by Mr. Joe Gandy, president of the Fair, in a letter addressed to all officers and men of the 650-man Canadian Armed Forces contingent who staged the Tattoo.

The contingent representing the Royal Canadian Navy, the Canadian Army, the Royal Canadian Air Force and the Royal Canadian Mounted Police scored, through the medium of the Tattoo, an artistic triumph in its presentation of Canada's military heritage to those persons lucky enough to get seats.

Conceived and directed by Captain Ian Fraser of the Black Watch (Royal Highland Regiment) of Canada, the colorful spectacle played to capacity crowds during each of the seven performances.

Neither inclement weather nor construction setbacks prior to the opening performances failed to dampen the enthusiasm of the audiences or the participants.

When heavy rains turned the turf into a sea of mud following the dress rehearsal Sept. 9, 4,000 square feet of hard surface were immediately ordered spread, by the Fair officials.

Though high winds collapsed the Martello Tower of the facade, an overnight construction job by the 3rd Field Squadron, Royal Canadian Engineers, from Chilliwack, B.C., had the backdrop replaced before commencement of the following day's performance.

Veteran show people expressed their amazement at seeing the

stands begin to fill up three to four hours before a performance.

Ewan Dingwall, vice-president and general manager of the Fair, attributed the Fair's all time daily attendance record, set Sept. 15, to interest generated by the Canadian Tattoo.

On this record breaking day the grandstands of Memorial stadium, opened at 4:00 p.m., were entirely filled by 5:10 p.m. for a performance scheduled to begin at 8:00 p.m.

An estimated 140,000 spectators jammed the Stadium seats to catch the Tattoo's seven performances.

From the curtain raiser when the 2nd Battalion, The Canadian Guards, mounted a guard of honor for the guest of the evening, until the grand finale when all personnel participating in the Tattoo formed up in review, the spectators sat entranced with the pagantry, only shattering the atten-

tive silence with appreciate applause.

In gratitude to the Canadians for a job well done, World's Fair officials presented each officer and man with a cuff link and tie-clip set, embossed with the World's Fair crest.

Encompassing all three services and the RCMP, the Tattoo featured representatives from every province of Canada. Units involved were: 1st Battalion, Princess Patricia's Canadian Light Infantry, Victoria, B.C.; 3rd Field Squadron, Royal Canadian Engineers, Camp Chilliwack, B.C.; 2nd Regiment, Royal Canadian Horse Artillery, Winnipeg, Man.; 2nd Battalion, The Canadian Guards, Camp Petawawa, Ont.; 3rd Battalion, Royal 22nd Regiment, Camp Valcartier, Que.; and the Regimental Depot of the Black Watch (Royal Highland Regiment) of Canada, Camp Gagetown, N.B.

Martial music was provided by the bands of HMCS Naden, Esquimalt, B.C.; Lord Strathcona's Horse (Royal Canadians), Calgary, Alta.; The Regiment of Canadian Guards, Camp Petawawa, and the Royal Canadian Air Force from Edmonton and Toronto.

Pipes and drums of the Black Watch (Royal Highland Regiment) of Canada, The Regiment of Canadian Guards and RCAF Station, Rockcliffe, supplied the Scottish sounds so familiar to all.

Fanfare trumpeters of the Band of the Royal Canadian Signals, Barriefield, Ont., were in attendance through the performances.

Adding distinctive color and precision were the 32 scarlet coated members of the Royal Canadian Mounted Police astride jet black horses who performed their world-renowned eye-catching "Musical Ride".

Dale Steward — Seconder
Richard Harris — Seconder
Kelly Kirley — Seconder

We welcome a transfered Cub, Hartley Slade and another new chum, Kenneth Goodwin.

Congratulations to: Alan Rude, Jackie Jarvis, Kenneth Niles and Brian King on their Investitures.

Congratulations too to Leonard Reid on his Investiture as a two-star Cub.

Proficiency Badges earned:

Doug Sales — Collector and cyclist

Michael Gilday — House orderly.

On Oct. 9th the Pack visited the Fire Hall where they had an interesting talk on Fire Prevention. This Pack is still running with only one ACM who extends sincere thanks to Mr. Stewart who helped us at two meetings and to Scouts Hugh Stewart, Bill Jowett and Eddie Winfield. I don't know how we could have managed without these grand boys.

THE CHANCE OF A LITTLE TIME LEARN TO SQUARE DANCE

Or polish up on what you already know! Come as you are and join us, every Saturday night, at Namao School, left at the first flashing light. 8:30 until 11:00 o'clock, coffee and refreshments. Contact Roger Arcand SW 9-3398 for any more details.

Mother: "I sent my little boy for two pounds of plums and you only sent a pound and a half." Grocer: "My scales are all right Madam. Have you weighed your little boy?"

RECEIVES CERTIFICATE

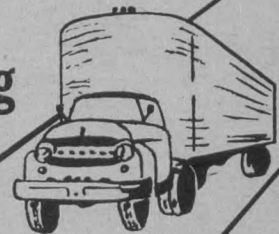

CAMP RAFAH, Egypt — The Sinai desert formed a background during the presentation of a certificate of Canadian Citizenship to a soldier of the U.N. Emergency Force. He is Signalman John F. Chapman, 33, of Kingston, Ont.

The unique ceremony, believed to be the first presentation of its kind in the Middle East, took place as fellow members of Chapman's unit, the U.N.E.F. Signals Squadron, lined the parade square. Col. D. H. Rochester of Toronto, commander of the Canadian contingent, made the presentation.

'Pats' take Pearkes Trophy

VICTORIA — Members of the 2 PPCLI won the Canadian Army Services Soccer Championship and the Pearkes Trophy here on the 5th Oct. by defeating the host HMCS Naden team 3 - 1.

The win was the third in as many games for 2 PPCLI which had reached the final with a 2 - 1 victory over RCAF Winnipeg. Naden, which played 70 minutes of overtime to win a first-round game, entered the final with a 3 - 1 win over the Sixth Squadron Submarines of Halifax.

The Army-Navy final saw the Pats take an early lead and hold a 2 - 1 margin at half-time.

Eight teams competed in the tournament, played on a Canada-wide basis for the first time. Teams had to win a zone championship to be eligible for the tournament.

The Edmonton team received the Pearkes Trophy, donated by B.C. Lieutenant-Governor George Pearkes, former Minister of National Defence.

GYMNASTICS

It is proposed to conduct gymnastics classes for girls aged 9 to 12 in the PPCLI Gymnasium commencing about mid-November. Because of the shortage of instructors the first classes will be limited to 40 girls. The first 40 to apply will be accepted but an additional list of 10 names will be kept and these will get first choice should any of the original 40 be dropped because of non-attendance, postings, etc. When the first program is well underway it is proposed to increase the number to about 100, this to include boys and also girls in older age groups. Further details on the expansion program will be announced later.

The first classes will be conducted from 1630 hours to 1800 hours probably Mondays and Wednesdays.

All those interested are asked to contact Major J. D. Johnston by telephone at 477-3921 or GR 9-8411 Loc. 377. The following information is required:

- Date of birth
- Home address and telephone number
- School and grade
- Previous experience in gymnastics

If unable to telephone, write Major J. D. Johnston at 14704 - 101A Street.

Ladies Curling

Wielding brooms and wearing assorted garb, the ladies converged at the curling rink the morning of the 23rd to take part in a curling clinic. This clinic was conducted by Sgt. John Coombe, for whose invaluable help we are very grateful. It was a most successful morning and ended on a social note, with coffee and cakes being served by Jan Johnston and her willing helpers.

The eight rinks that were formed at a previously held skips' meeting, met on Friday 26th for an opening game in the form of a presidents versus vice. This also was a successful meeting, and all participating are looking forward to October 31st at 1:30 p.m. when the official season gets under way.

Those ladies needing a sitter may contact Mrs. Nancy Jackson, 10119 - 147th Avenue, or phone 479-7366. She will mind the children in her home.

Funds were made available from last year's profits to purchase cups and saucers, and tea cloths. Our lounge should look quite gay when we hold our invitation meets.

A note of warning gals, arrange things at home so the better half won't have this lament:

"She curls her rocks with laughter free and never, never thinks of me."

Most Valuable Player Award

Don Burdego, Coach of the Griesbach Commandos, presents a Most Valuable Player award to Rhett Oulette. Don McConnell holds a similar award that he accepted on behalf of his brother Danny. Background is Cpl. C. Bones and Bob Forss, Assistant Coaches.

Bantam Football

The Bantam Football season closed for the Griesbach Commandos with a Player-Parent night held in the RCASC canteen on 15 Oct. 62.

During the proceedings, presentations were made to Rhett Oulette and to Danny McConnell as the most outstanding backfielder and lineman respectively. The presentations were made by the coach, Don Burdego. Don also gave honourable mention to Ricky Hicks who took over as quarterback late in the season.

Maj. Hennie, Chairman of the Griesbach Association, was present and thanked the coaches for their work with the boys and thanked the parents for turning out at the meeting. A film of a Husky-Wildcat game was shown with comments by Don Burdego.

Although the Commandos did not succeed in winning a game it is felt the season was not a loss. The team had very few experienced players and was the smallest team in the league. Given another season or two the Griesbach team should be able to give good account of itself.

The evening closed with snacks and an enjoyable time was had by all.

COLORFUL INTERMISSION FOR "ARMY NIGHT" Just Call Me Sport

My ticket indicated Section "A", Row 11, Seat 8 at the Clark Stadium. The occasion — "Army Night" at a football game between Edmonton and Calgary. Now this much I know since it was told to me before I set off with camera, blanket and every intention of doing a bang-up job of reporting not only the band participation but the game as well.

My good intentions were short lived. In normal confusion I found my seat and oggled the sweet young things lining either side of the field to lead the cheers. Then as the players took their place at either end of the field, my view was distracted by a sight much more attractive than the mountains of muscle ambling out — Jackie Parker included. It was proportioned much more attractively and took position in the seats surrounding mine. Here to accompany us were all the candidates for the Miss Eskimo contest. — You know, I think it was right there that my interest in football faded that night.

That any red - blooded boy should concentrate on the game was expecting too much. It wasn't only the built, but what it was built in. In loose terms I suppose it could be called a dress of sorts. The most abbreviated sort. I had on my Long-Johns - too but well covered by trousers, coat and blanket. It was this that seemed most distracting. This and the sense of guilt I felt in knowing that I was here only in the absence of our Special Events Reporter on a fishing trip. (He has since destroyed his gear in remorse.) If this was being a sports enthusiast, I have now become an avid sportsman. I'll even smoke their cigarettes.

Come Half-Time, (I understand there had been two quarters prior to this) the distraction was removed for peresentation to the public at centre field. It was during this interval that I was able to concentrate on the purpose for my attendance and watch the performance of the massed bands of the PPCLI, QOR of C and Lord Strathcona's Horse. Here was was color in every sense of the word — in their precision, bearing and dress. The ovation they received was terrific but not one sore hand more than they justly deserved.

As I sat through the last half, again unable to concentrate on the game, it ocured to me that this should happen more often. They could even have another football game.

A TROPHY BEFORE KICK-OFF

EDMONTON — Saturday, October 6th was Army night at Clarke Stadium when the Eskimos took on the Stampeders. The Jeff Nicklin Memorial Trophy for the player rated most valuable to his team in the western football conference was presented to the Edmonton Eskimo's Jackie Parker for his playing in the 1961 football season. This was the sixth time he has won the award.

The trophy is in memory of Lieut.-Col. J. A. Nicklin, well-known and popular member of the pre-war Winnipeg Blue Bombers who was killed during a parachute drop at the crossing of the Rhine River in Germany on March 24, 1945.

The award was made by Lieut.-Col. E. M. K. MacGregor, commanding officer of the 2nd Battalion, Princess Patricia's Canadian Light Infantry, just before a ceremonial kick-off by the General Officer Commanding Western Command, Maj.-Gen. J. M. Rockingham.

At half time, football fans were entertained by the massed bands of the Lord Strathcona's Horse (Royal Canadians), the Princess Patricia's Canadian Light Infantry, the Corps of Drums of the 2nd Battalion of the Patricia's and the Bugles of the 2nd Battalion, Queen's Own Rifles of Canada.

The selection of the winner of

the Jeff Nicklin Trophy is made by a ballot of sportswriters and sportscasters in western Canada.

Lieut.-Col. Nicklin was born at Fort William, Ont., Dec. 10, 1914 and educated in Winnipeg at Gordon Bell and Kelvin Technical High Schools. He served in the Canadian Army overseas from early in the Second World War as a regimental officer of the Royal Winnipeg Rifles ("Little Black Devils"). In 1942 he was recalled to Canada to undergo parachute training. He went first to Fort Benning, eorgia, and later to Shilo, Man., when Canadian paratroop formations were concentrated there, as officer in charge of training. He returned overseas early in 1944. He then became second-in-command of the 1st Canadian Parachute Battalion, dropping with the battalion in the pre-dawn parachute drop on the Normandy coast on June 6, 1944. He was later wounded by shrapnel.

He then became commanding officer of the unit, and as such was one of the first Canadian soldiers to parachute onto German soil on March 24, 1945.

The Jeff Nicklin Trophy was originally instituted by the 1st Canadian Parachute Battalion in memory of their commanding officer. The custodians of the trophy later became 2nd Battalion Princess Patricia's Canadian Light Infantry as a Western Canadian airborne unit.

Recreational Bowling

The Alta. Area Recreational

Bowling League got off to a good start on 11 Sept., 62 and interest is very good.

The league consists of ten teams as follows:

- HQ Alta. Area
- HQ RCAMC
- 13 Wks. Coy. RCE
- Area Pay
- Area Sigs.
- Comd. 'G'
- 17 ROD (two teams)
- 224 Wksp. (two teams)

Weldon Smith holds high triple of 772, F. Bowie high single of 307 and J. Nelson high average of 218.

FIRST ROCK OF THE SEASON

Throwing the first rock of the 62/63 curling season, Brigadier G. C. Leech, OBE, CD, above opened the season at the Griesbach Curling Club on Tuesday evening, 16 Oct.

All indications are that this will be another successful year for the local club as it takes to the ice with approximately 180 teams registered in the various leagues. Bugle Photo

Curling gets under way

A season-opening, one - lady, mixed bonspiel was held in the Curling Rink during the period 16 to 19 October. Brig. G. C. Leech threw the official first rock to get the season under way.

The response of our local curlers was disappointing as only sixteen rinks participated, just half of the desired number. However, enthusiasts who entered had an enjoyable three or four games and had the aching muscles to prove it. Twelve of the sixteen rinks won prizes. The winners were:

A EVENT

- 1st — Mills
- 2nd — Freeman
- 3rd — Sibley
- 4th — Olson

B EVENT

- 1st — McIntosh
- 2nd — Switzer
- 3rd — Von Hagen
- 4th — Nelson

C EVENT

- 1st — Hitchman
- 2nd — Kearney
- 3rd — Frew
- 4th — Thompson

An eight-rink open bonspiel was held on Saturday, 29 Oct., which was won by the Kashuba rink of the Balmoral Club who defeated Matheson of the Alberta Avenue in the finals. The second event was won by the Mitchel rink, also from the Alberta Avenue Club.

The highlight of the spiel was the sportsmanship and surprising ability of a hurriedly-got-together rink skipped by Dale Burgess. He had with him Bob Neill at third, Jack Gadu at second, and Sharon Jarvis at lead. In their first game they gave the "Friendly Giant", and world famous curler, Hec Gervais, all he could handle to eke out a close win. In their second game they lost by a heart-breaking last rock.

The Curling Club intends to run bonspies every Saturday throughout the season, preferably the kind of bonspies desired by Club members will be welcomed by the executive. It is realized, however, that even our most enthusiastic curler won't be able to curl every week, or perhaps would appreciate an opportunity to test his wares against some strange faces. With this thought in mind, the Club intends to run open bonspies periodically which should attract some "name" curlers and provide interesting spectator sport, besides giving our local talent the opportunity to see how they shape up with outside opposition.

At the time of going to press vacancies still exist in most leagues. If you have been tardy in submitting your application to curl, contact the Executive of the Club and every effort will be made to place you in the league of your choice.

Lady Golfers Wind Up The Season

The Ladies Section of Lancaster Park Golf finished the season with an 18 hole match play tournament for Club championship. Eighteen holes for a qualifying round were played off to flight the girls, and all agreed good golfing, good sportsmanship and lots of enthusiasm makes for a successful tournament. Again, many thanks are extended to Mr. Nimmo of Nimmo Moving and Storage for the beautiful trophy and miniature he so kindly donated along with three travelling bags.

Winners were as follows:

Championship Flight

- 1st — "Sam" Buttler
- 2nd — Rita Summons
- 3rd — Win Caesar

First Flight

- 1st — Ada Pickering
- 2nd — Jacky Smith
- 3rd — Flo Kalweit

Second Flight

- 1st — Dot DeBrouwere
- 2nd — Edith Cram
- 3rd — Pauline Birk

The "Ringer" competition was a little disappointing as only six members marked up a completed nine holes; however, we hope to get started earlier next year. Posted scores were as follows with prizes going to the top two:

- 1st — "Sam" Butler — 34
- 2nd — Rita Summons — 36
- 3rd — Corine Lucas — 37
- 4th — Peg Archibald — 38
- 5th — Ada Pickering — 38
- 6th — Jacky Smith — 40

All agreed it was a good year, with the executive doing a bang-up job to make it so successful. A vote of thanks to Lynne Hurlbut who did a terrific job of convening throughout the season. See you all next spring.

Teen's Badminton Club

The Griesbach Badminton Club has once again commenced its winter activities. This year the club executive is planning a new and interesting program which consists of:

1. Competition among club members.
2. Competition against Edmonton and Namao clubs.

The turnout so far has been very good and we hope to increase it. The total membership now stands at 21. Our new executive is comprised of:

- President — Dennis King
- Treasurer — Brian Gardiner
- Public Relations — Terry Yeatman.

Membership in the club is \$1.00 and an additional 10c every evening that you attended. The club meets every Wednesday evening at 7 p.m. in the PPCLI Gymnasium. So come on out and give it a try, you need the exercise.

The Griesbach Garrison Badminton Club

The Griesbach Garrison Badminton Club began its season of playing officially, 2nd Oct. Twenty-one members attended this meeting to nominate new officers for this year.

Re-elected President of the club is Sgt. John Vallance, who has been doing such an excellent job for the past two years.

Vice-President, S/Sgt. Jeff Webb is a new player among us and we are most pleased to see both he and his wife as active players.

Secretary-Treasurer Mrs. Adele Latham is a most enthusiastic player and a member of past years as well.

Public Relations Mrs. Marge Appleton hopes to keep everyone informed of the fun, good exercise and relaxation to be had by participating in this sport.

During the meeting the President, John Vallance read the Rules and Regulations of the Club regarding guests, fees, use of equipment, etc.

The past committee was thanked for their efforts and the evening was concluded with competitive playing.

Oct. 9th, was enjoyed with an organized mixed league to help newcomers get acquainted. All three courts were kept busy throughout the evening.

This is only the beginning of Badminton season and we welcome new faces at any time. Should you feel that you would like to join, come over to the PPCLI Gymnasium any Tuesday 7 to 9 p.m. or phone a committee member for more information.

Western Command Fish and Game Association

The wind-up of trap-shooting for the year culminated in the Annual Trap Sheet held at the Club's range on Sunday, 14 Oct. 62. In addition to an excellent turn out of members, the weather co-operated fully and was ideal for the occasion. A number of interested spectators also attended including Brig. G. C. Leech.

First place was easily clinched by Lieut.-Col. O. W. Crummey, 25 Dent. Clinic who shot so well he "killed" 46 of 50 birds. Second place was captured by Capt. W. R. Parker, HQ RC SIGS with 41 birds. A most interesting tie developed with four shooters scoring 38 and a shoot-off for places found Sgt. M. King with third, Maj. E. D. McPhail fourth, Maj. W. H. J. Stutt fifth and Lt. R. J. Routledge sixth. Cpl. H. MacDonald and Sgt. V. Webb won prizes for high relay scores.

Competition was keen in the "turkey" shoot which required one shot into a paper target at 30 yards. Lieut. Col. Crummey and Capt. R. W. Allen tied and another shoot-off again found the former the big winner. Non shooting members of the club did a fine job of barbecuing hamburgers and serving coffee to both shooters and spectators.

The next regular meeting of the club is planned for November for November 6th in the RCASC lounge. A good turnout of members and prospective new members is anticipated. A draw will take place to determine the winner of a fine converted sporting rifle.

**WE have 200 Only.
Starting November 1st.**

FASTBALL

The Griesbach Garrison Fastball League is finally over. The League began in the promising weather of May and ran right through to Oct. Due to the Wainwright Concentration, annual leave, and postings there were times during Jul. and Aug. when players were pretty thin on the ground. However, the League managed to hold together until the playoffs began in Sept., for by this time there was re-newed interest and lots of players available. In retrospect it was a good season for fastball, for within Griesbach Garrison there were approximately sixty men involved throughout the summer in a highly competitive team sport, and this in itself is an achievement.

The League ended with four teams competing for a playoff position — "The Combines" (Alta. Sig. Sqn., 10 SDB, 224 Wksp RCME), "The Double Thirteens" (13 Wks. Coy. RCE, 13 Coy. RCASC), "17 ROD", and "HQ Western Command". In the semi-beaten out by 17 ROD, and HQ Western Command was beaten by The Combines. This left The Combines and 17 ROD to fight it out in the finals. 17 ROD won the finals in two straight games and the honours of being the Griesbach champions.

Cpl. C. A. Laliberte, 17 ROD receives the Griesbach Garrison Fastball trophy from Brig. G. C. Leech, Alberta Area Commander. 17 ROD won the fastball championship defeating the Combines two games straight in a best of three series.

for their victory and every player in the League felt that they deserved to win, for they were the one team which could consistently field nine players and more throughout the season.

A Smoker was held in the Junior Ranks Club to celebrate the windup of the fastball season. The Area Commander, Brigadier Leech, was present at the Smoker, and presented the Griesbach Garrison Fastball Trophy to Cpl. Laliberte, the Captain of the 17 ROD team.

17 ROD must be congratulated

Griesbach Archery Club

The time of year is fast approaching when the weather will only be fit for the indoor sports — and we have just the indoor sport for YOU!

The Griesbach Archery Club is starting its winter season and an invitation is extended to all adults in the camp, particularly the parents of our Junior members, to come out and see for themselves the sport and exercise that is offered by archery.

The Club operates in the PPCLI Drill Hall every Monday night from 2000 hrs. until 2200 hrs. and on Fridays from 1900 hrs. until 2200 hrs.

Archery is a sport that is equally enjoyable for Juniors and adults alike. It is not too strenuous but affords good exercise coupled with skill. There are a number of proficient archers who will be on hand to offer good instruction.

The Club has adequate equipment to allow all members a good shoot every meeting and, in addition, for those members who wish to purchase their own equipment, arrangements can be made for such purchases at a considerable saving.

Apart from the archery aspect of the Club it is proposed to hold social evenings — the first such social event will be a Hard Times Party to be held in the PT Lounge on Saturday, 3 Nov., commencing at 2000 hrs. Admission is \$1.00 for adults and 75c for Juniors. Tickets for this event can be purchased from Sgt. Mandziuk, "G" Branch, HQ Alberta Area, — Local 495.

If you are looking for 'something to do' on the long winter evenings ahead that will afford you good exercise, an opportunity to meet people and good fun, we urge you to come out and join the Archery Club. Full details can be had from Capt. Daniels, HQ Western Command, or Sgt. Mandziuk, HQ Alberta Area.

As a service to Bugle readers, the November schedule of the Edmonton Flyers hockey team is published below:

HOME GAMES:

November 2 — Calgary
November 6 — Seattle
November 14 — Spokane
November 16 — Spokane
November 21 — Portland
November 23 — Portland

AWAY GAMES:

November 8 — San Francisco
November 9 — San Francisco
November 10 — Los Angeles
November 12 — Los Angeles
November 13 — Vancouver
November 24 — Spokane
November 25 — Seattle
November 28 — Portland
November 30 — Seattle

"Fire Prevention" Winners

Capt. R. W. Allen, 13 Works Company, RCE, and Maj. H. H. Hennie with the three top winners of the Griesbach Fire Prention parade held on Oct. 6. Approximately one hundred children participate in the parade, presenting a real problem for the judges in selecting these winners.

Swap Shop New Hours

The Swap Shop Permanent Committee consists of the following positions, with the ladies presently filling these positions —

Treasurer — Mrs. Phyllis Charles
Afternoon Convenor — Mrs. Phyllis Charles

Evening Convenor — Mrs. Jean Saunders

Worker Convenor — Mrs. Pam Van Aggelen

In addition to the above convenors, it is desirable to have at least two other ladies to assist both afternoon and evening. Would any ladies interested in helping please phone Mrs. Van Aggelen GR 4-0272 stating their afternoon or evening preference.

Volunteers will have an experience worker with them at all times.

Several changes have been made in the operation of the shop:

1. The Date — Beginning on Tuesday, November 6th, the shop will be open each Tuesday afternoon and evening, as Wednesday has become an increasingly popular day for other camp activities. The hours of 1:30 — 4:00 p.m. and 7:00 — 8:30 p.m. remain the same.
2. Articles will henceforth be held for customers for one week only and this date will be clearly marked in our books and adhered to. Approvals also must be returned or paid for the following week. One of the committee will phone after one week and we hope this reminder will be sufficient in all cases. If this fails to bring results, the offender may be denied the privilege of future approvals. We

feel these rules will make our operation more efficient and benefit you, the owners of the articles, who naturally desire a quick sale for the articles. In the past, items have been held in the shop or have been out on approval for as long as a month and then returned to stock and this benefits no one.

3. Post-dated cheques will no longer be accepted.
4. Except for items of the Cub, Scout, Brownie or Guide uniform, articles will not be accepted from children.
5. It has been decided that after two months the committee will have the option of reducing the articles unless it is specifically requested otherwise by the owner when the article is brought in. The owner may request to be phoned at the end of two months so that she may reclaim her articles before they are reduced.
6. There is a notice board in the shop on which persons are free to advertise large items for sale, or place wanted article notices. It was our hope that when a sale was made as a direct result of information on this board, the seller would make a contribution to our funds, and many did so. However, due to our own lack of firm policy regarding the board, same sales have taken place with no benefit to the shop. A new system is being evolved through which we can keep a closer check on what goes on behind the board. If this sounds greedy, remember we are not

working for ourselves, but for our Scouts and Guides.

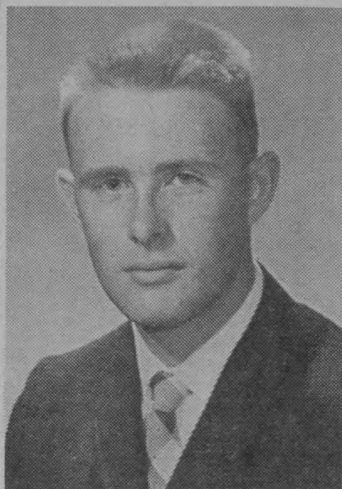

Again it is emphasized that we are not responsible for articles left with us. Our facilities are limited, but we do exercise every care possible.

We have a fairly good supply of Scout hats and Guide dresses but we need more Brownie uniforms and Cub sweaters. There is a good selection of ladies coats, including two fur coats, and several fur trimmed coats, and a fur shoulder cape. Our item of the month is a lovely five-diamond ring of European design. This ring may be seen at the Swap Shop and bids will be accepted until we feel a representative group in the camp have had a chance to examine it, and then the ring will go to the highest bidder.

Local ROTP Candidate

EDMONTON — Officer Cadet John A. Macdonald of Griesbach has been appointed to that rank under the Canadian Army's Regular Officer Training Plan, it was recently announced by Army Headquarters.

The ROTP assists a high school graduate in obtaining a university education and at the same time trains him to accept the responsibilities of a commissioned officer in one of the three armed services.

Son of Ssgt. and Mrs. A. G. Macdonald of 10218 - 147 Ave., O/C Macdonald is a graduate of Edmonton's Queen Elizabeth High School and is presently a second year student at the University of Alberta in the faculty of Arts.

As a member of the University's Canadian Officers Training Corps Contingent he completed his first year COTC training at the Royal Canadian Armoured Corps School at Camp Borden, Ont., during the past summer.

O/C Macdonald hopes to take post graduate studies in Journalism at Carleton University, Ottawa, on graduation next year. His father has been employed as a Public Relations Specialist with the Canadian Army for the past 10 years.

Rifle Champion

The best rifle shot in the UN Emergency Force in the Middle East is Staff Sergeant Bert Walker, RCME, of Victoria and Camp Wainwright, Alta. Walker, a veteran of 25 years in provincial and military meets, had to break a tie with Lance Corporal Gurbax of India to win the title. Here, after the shoot-off, Cpl. Singh congratulates the champion.

National Defence Photo

KHAN YUNIS, Egypt — A Canadian NCO, Staff Sergeant Bert Walker, of Victoria, B.C., and Wainwright, Alta., a member of the Royal Canadian Electrical and Mechanical Engineers serving with the United Nations Emergency Force was awarded a trophy as the best marksman in the 5,000-

man, seven nation force here today.

Staff Sergeant Walker edged out Lance Corporal H. Singh of India in a tense sudden death match brought on when they both scored 74 out of a possible 75 points during the UNEF competition.

The Canadian soldier's award

was presented by the UNEF commander, Lieut.-Gen. P. S. Gyani.

During the competition both soldiers shot ten consecutive bullseyes from 270 yards followed by 24 out of 25 points each in snap shooting from 180 yards.

In the tie-breaking shoot both scored bulls on their first shot. On the second shot the Canadian scored a bull and the Indian soldier just missed it.

Both fired weapons now in use in their respective armies, the Canadian used the FN (C-1) rifle and the Indian the Lee Enfield service rifle.

In team practices Sikh soldiers of India swept all events.

Team standings in the international event were: India 660, Yugoslavia 599, Sweden 559 and Canada 554 out of a possible 750 points.

 Junior Choir — 9 - 12, Wednesday
 4:00 p.m.

SENIOR TEEN PROGRAM

St. John's Chapel has commenced a program for the Senior Teenagers of the congregation. The first meeting was held in the Chapel at 7:00 p.m., Sunday October 14th when the film "Time and Eternity" was shown followed by discussion of the nature of proposed future meetings, and refreshments. This program is especially slanted for those attending High School, or have reached the age of 15 years.

It is hoped that a program for the Junior Teens may be begun if the Senior Teen program is a success, and if adult leadership is available.

At the first meeting of the Senior Teens there was an attendance of 60 and considerable enthusiasm on the part of the young people for a continued weekly program.

SUNDAY SCHOOL

St. John's Chapel is in need of adult teachers. Those wishing to help should contact Capt. Wray, the Superintendent, or Padre Nickerson. This year the Sunday School has shown a marked increase and attendance has risen to about 450 children. Some teachers have classes of about 30 pupils. These classes are much to large for satisfactory teaching and should be split. The work of the Sunday School cannot be undertaken without the voluntary help of devoted people throughout the Camp. We need that help now.

Remembrance Day

Every year Remembrance Day, November 11th, comes to a world in which the fires of memory burn lower and lower. A whole new generation arises which knows nothing of war, understands little of the meaning of Reveille and Last Post, sees no significance in the blood red poppy and colourful wreaths worked in their traditional symbol of immortality.

Nor will they know unless we tell them. The Good Book has a word for us here. It happened when Joshua was to lead the Israelites into the Promised Land, he caused twelve stones to be taken out of the River Jordan to be set up as a memorial of the time when the priests stood in the middle of the river and it stopped flowing, so allowing the great force of fighting men to cross over on dry land. And Joshua instructs

the people that, when their children should ask, "What do these stones mean?", they should then sit down with them and tell them of their miraculous crossing of the Jordan.

There are many things that we can tell our children about Remembrance Day and the dreadful days of war. Not idle boasting nor the growing exaggeration that come sometimes with passing years. Not horror stories to intimidate nor flippancies to amuse. But facts told quietly simply, feelingly. And, above all, explanations made of the signs and symbols of Remembrance. For how can they know unless we teach them? And how shall we remember ourselves unless we call these things to mind?

For after all — This is the day the dying Pay tribute to those who live.

ST. JOHN'S CHAPEL W.A.

The St. John's Chapel Women's Auxiliary continued to meet every Tuesday during the month of October in order to complete their many bazaar projects. A great deal has been accomplished at these work-meetings and also by the ladies at home and we feel that we have many lovely articles to offer to the people of Griesbach on November 3rd. It is very gratifying to the Bazaar Convenor and to the members of the executive to see how much time and effort that the ladies have put into the preparation for the Bazaar and we indeed appreciate of the many hours that they have spent in working towards, what we are sure, will be a very successful and profitable day.

By the way have you placed an order for your Christmas cake or pudding? They really are delicious and if you would like to place an order, please contact Mrs. Harmar at 479-6094. There are various size and prizes.

Once again we would like to extend a very sincere welcome to the new Protestant ladies of Griesbach. We hold our regular meetings on the second and fourth Tuesdays of each month at 8 p.m. in the Chapel Conference Rooms.

OUR LADY OF FATIMA CHAPEL NEWS

BAPTISMS

Kimberley Ann, daughter of Mr. and Mrs. Felix Pagee
 James David, son of Mr. and Mrs. R. J. Rodgers
 John Donald Cameron, son of Sgt. and Mrs. Millegge Parsons
 Claude Albert, son of Pte. and Mrs. Albert Beaudry
 Deborah Rae, daughter of Pte. and Mrs. C. B. Margeson
 Jimmy Victor, son of Mr. and Mrs. Licinio Fuccaro

IMPOSING CEREMONY 28 October, 1962

FEAST OF CHRIST THE KING

An imposing ceremony took place at Our Lady of Fatima Chapel, Griesbach Barracks, last Sunday. In the morning, the Choir, under the able direction of Sgt. John Hermans, sang a polyphonic High Mass on the occasion of the Feast of Christ the King. This ceremony coincided with the Parish's farewell to Father L. S. Ritza, who is retiring from the Army after twenty years of service.

BLESSING OF THE BELL

During the afternoon most of the parishioners and numerous guests were present for the Blessing of the new Chapel Bell, donated by the Canadian Pacific Railway. For the blessing, the splendidly decorated Bell was placed in the sanctuary of the Chapel.

At 2:30 p.m., Father Ritza, outgoing Command Chaplain, assisted by Father John Leduc, newly-appointed Command Chaplain, officiated at the significant ceremony.

First the Bell was washed inside and out with water mixed with salt, and then dried carefully with towels. Meanwhile seven psalms were recited, and prayers were said, begging God to bless the faithful every time the Bell rings. The exterior of the Bell was anointed in seven places with the Holy Oil of the Sick, and the inside in four places with Holy Chrism and, finally, the Bell was named . . . St. Leonard. The name of the saint in whose honor a Bell is to be blessed is customarily inscribed on the Bell. The name of this Bell is St. Leonard, commemorating Father (Lieut.-Col.) Ritza's first name, and was engraved by Cpl. Brown.

Then, the celebrant placed the censor containing lighted incense and myrrh under the Bell to incense and perfume the interior. The elaborate ceremony ended with the singing of the Gospel describing Our Lord's Visit to Mary and Martha.

Among the guests were Mr. and Mrs. E. C. B. McNabb, Superintendent of the Canadian Pacific Railway, and Mr. and Mrs. J. R. Patenaude, also of the C.P.R.; Magistrate (Col.) and Mrs. J. L. Sparling, from Camrose; many dignitaries representing ecclesiastic, military and civic authorities.

BLESSING OF THREE FLAGS

The Blessing of three Flags immediately followed the Blessing of the Bell. The celebrant, Father (Lieut.-Col.) John Leduc, after the introductory prayers, officially blessed the flags.

Flag Bearers:

Colonel B. P. Kearney — Papal Flag

Lieut.-Col. D. A. Harper — Canadian Ensign

Capt. (Fr.) C. H. Belanger — Chaplain Corps Flag.

These three flags, and a fourth presented recently by the Ordinance Corps, will be permanently and conspicuously displayed in the Chapel.

These ceremonies were crowned by the Solemn ceremony of Benediction of the Most Blessed Sacrament.

A Parish Tea followed hosted by the ladies of the C.W.A.

MESSAGE

Message from Colonel A. Charlebois, Director of Chaplain Services:

"I wish to take advantage of this solemn occasion to express my sincere gratitude and great admiration for the apostolic zeal and tremendous accomplishments of Father Ritza. For the past twenty years he has given the best of his life, of his strength and, unfortunately, of his health, for the betterment of the spiritual welfare of our Catholic faithful in the Forces, for the greater glory of God."

C.W.A. NEWS

The ladies of the C.W.A. wish to thank the many parishioners and friends for their help in making the Farewell Tea for Father Ritza such a splendid success. The tea convener, Mrs. B. P. Kearney and her helpers must certainly be congratulated for their wonderful work.

The tea table was decorated with a centrepiece of beautiful bronze and gold mums, plus an assortment of other flowers, which complimented the two crystal candelabra — each containing four gold tapers.

Ladies who so kindly shared honors at the tea urns were:

Mrs. J. L. Sparling, Mrs. J. Cardy, Mrs. W. McSween, Mrs. Z. Wozny, Mrs. G. R. de Faye, Mrs. J. G. DeBrouwere, Mrs. W. Barrey, Mrs. W. B. Sutherland, Mrs. D. A. Harper, Mrs. H. MacDonald.

A presentation was made to Fr. Ritza by Col. B. P. Kearney on behalf of the C.W.A. and Chapel Committee.

A raffle for a hand crocheted bedspread will be conducted by the ladies during the next two months. The draw will be made on December 4.

The clothing drive for the Marian Centre is in full swing and very well received up to date. Our sincere thanks is extended to all those who have generously contributed to this charitable organization. If you haven't already made up a box, please do so and leave it at the R.C. Chapel or contact the ladies listed on the notice.

The highlight of our last meeting was the showing of coloured slides of Mount Sinai by Father Leduc. The Father has consented to show other of his excellent collection of slides of the Holy Land at our future meetings.

We next meet at the Chaplain's Quarters on November 6th at 8:00 p.m. — won't you attend?

The amount of \$46.03 held on NPF inventory was donated to the Guthrie Home and School to improve their financial situation.

Gaza Strip Communion

First communion for 35 Palestinian children at Gaza is celebrated by Canadian Army Chaplain Capt. J. St. Arnaud, of North Edmonton, assisted by Sgt. Tony Calderisi, of La Salle, Que. Canadian soldiers serving in Egypt with the United Nations Emergency Force contributed \$300.00 to ensure the children would have the traditional communion clothing, and that their summer school could be kept in operation. National Defence Photo

Contribute to Mission Project

EDMONTON — "Operation Totem Pole" is the Sunday School Mission project for the children of the Griesbach St. John's Chapel. Every year the Sunday School, with an attendance of over 400 children from every Protestant denomination, undertakes a Mission project for one of the major Protestant denominations in Canada.

Projects in the past have been helping the Anglican Church to provide translations of the Bible in the Cree tongue and assisting the United Church of Canada World Refugee appeal, as well as others. This year the project is to help the Baptist Federation build a church for Indians of the Six Nations Reserve near Brantford, Ont.

Cpl. J. A. S. Jamieson, Royal Canadian Corps of Signals presented to Capt. H. Wray, the Sunday School Superintendent, a poster he designed to aid the children in recording their gifts to the Mission project.

As the children give their pennies, nickles and dimes the amount rises. Children will be selected each Sunday to color in the Totem Pole and indicate the standing of giving.

Already the children have collected enough to reach the bottom of the Wings.

The Mission Church on the Six Nations Reserve, or Oshweken as it is called, began in a tiny log hut in the year 1840. Now the church membership is about 140 and the Sunday School has an attendance of over 100 children. The present church is in an unsafe condition. The walls bulge and the foundations are decaying.

Since the Reserve is Crown land and cannot be mortgaged, the money has to be raised beforehand for work to begin early in 1963. The Indians are doing their share and the children of Griesbach have been eager to add their bit to this very worthy project.

Before the year is out their beautiful Totem will be colored all the way to the top.

LEAVES BUGLE
STAFF for CONGO

EDMONTON — Sgt. John Hudson of Ottawa has been posted to No. 57 Canadian Signal Unit in the Congo. He has been with Manning of Western Command headquarters since 1957.

Sgt. Hudson enlisted in 1944 and was with machine records at Army headquarters from 1946 to 1954 when he was posted to No. 3 Canadian Administrative Unit in Antwerp, Belgium until 1957.

His wife Roberta and three children live at 15016 - 102 St., Edmonton.

GRIESBACH COUNCIL NEWS

Meeting of 3 October, 1962

Seven members of the Council were in attendance at the October meeting plus the representative from Camp Office and MLS.

A welcome was extended to the new Deputy Chairman Major J. D. Johnston and the new councillor for Ward 2, Capt. E. Coles.

In order to balance the Wading Pool account, a sum in the amount of \$282.50 was transferred from the General Fund to the Wading Pool account.

A request by the Badminton Club for a grant of \$75.00 on a fifty percent repayment basis was recommended for consideration by the Griesbach Sports Council.

A \$500.00 grant was made to the Boys' Hockey League to take care of their operating expenses for the 62/63 season.

Council discussed at some length the method of managing the community rink. It was decided that tenders be called for two people to manage the rink this winter.

A lengthy discussion ensued on whether or not a charge should be made for participation in all or some of Council sponsored activities. It was agreed that some type of charge should be made

and unanimously voted that where no membership fee in now charged, non-contributors and dependants be charged for participation in Council sponsored activities. A committee will be appointed to set the charge for participation in each specific activity. Residents will be informed of the date this policy becomes effective.

Extensive consideration was given to the present Community Snack Bar location, accomodation and supervision. Unanimous agreement was reached on numerous points regarding its operation and disposal of the question is pending distribution of necessary financial commitments.

Major A. Cameron has volunteered to act as the Council's Advisor to the Griesbach Young Peoples Association. A grant of \$50.00 was made to start their year's activities.

The use of swimming pool facilities was discussed and it was reported that negotiations are presently under way with the RCAF for the use of their Kingsway Ave. pool.

Major J. D. Johnston volunteered to coordinate arrangements for any residents wishing to participate in gym classes.

In answer to an inquiry regarding a curfew in Camp for children, the Chairman advises that Council has no authority to institute a curfew.

NAMAO COUNCIL
BRIEFS

Meeting of October 3rd, 1962

The inclusion of Namao on the circulation of the Griesbach Bugle was discussed. Because of the cost and staff requirements, it was considered doubtful that a similar paper should be undertaken by the Council or the Station Fund. Congratulation and thanks were extended for the inclusion of Lancaster Park PMQ's in the distribution of the Bugle.

The Bingo of 28 Sep. was the best yet with 265 paid attendance. The Jack-Pot of \$200.00 was won by L. A. C. Nelson.

A sum of 1,200.00 was allotted to cover the cost of the Harvest Ball which was held on 26 Oct. as a self-supporting project.

A letter was received from Mrs. Laveda Harker, President of the Home and School Association, requesting a donation of \$15.00 as their funds stood at a debit of \$1.49. A motion was carried donating the sum of \$25.00 to the H. and S.

A request for funds to purchase curling sweaters for the team from Teen-Aire participating in the Northern Alberta High School Teenage Bonspiel was in view of the healthy financial status of the club.

Sew through a square of blotting paper after you have oiled your machine, to collect any surplus oil.

Overseas Xmas Commences Mailing

With the Chirstmas period approaching, the Canada Post Office urges the public not to delay posting parcels to friends and relatives overseas. The public is cautioned to mail as early as possible. Last minute mailing, if general, might render it impossible for the Post Office to find sufficient acomodation on the last steamers leaving in time to ensure Christmas delivery.

Chrismas mail for armed forces overseas

The dates shown below apply also to the posting of mail for Armed Forces in the areas shown. The dates shown for the European Continent will also apply for troops in Egypt and other countries in the Middle East as well as for the Republic of Congo.

Deadline dates for Overseas Christmas Mailings, both surface and air transport from Alberta have been set as follows:

TRANS-ATLANTIC GREAT BRITAIN

Letters	Parcel Post
	Surface
Nov. 24	Nov. 21
	Air Mail
Dec. 13	Dec. 10

EUROPEAN CONTINENT

Letters	Parcel Post
	Surface
Nov. 24	Nov. 7
	Air Mail
Dec. 10	Dec. 8

TRANS-PACIFIC FIJI

Letters	Parcel Post
	Surface
Nov. 22	Nov. 21
	Air Mail
Dec. 14	Dec. 6

AUSTRALIA

Letters	Parcel Post
	Surface
Nov. 15	Nov. 14
	Air Mail
Dec. 12	Dec. 6

NEW ZELAND

Letters	Parcel Post
	Surface
Nov. 22	Nov. 14
	Air Mail
Dec. 13	Dec. 11

JAPAN

Letters	Parcel Post
	Surface
Nov. 20	Nov. 13
	Air Mail
Dec. 13	Dec. 7

HONG KONG

Letters	Parcel Post
	Surface
Nov. 14	Nov. 13
	Air Mail
Dec. 13	Dec. 9

PHILIPPINES

Letters	Parcel Post
	Surface
Nov. 3	Nov. 3
	Air Mail
Dec. 9	Dec. 5

Officer Training

A former well known resident of Griesbach, David M. Lewis has been accepted for training in the Officer Candidate Programme. He has selected the Royal Canadian Signals as his Corps and commenced his first phose of training at the RCAC School on Sept. 17, 1962.

While resident in Griesbach, Officer Cadet Lewis was active in the Scout movement being one of the first to be awarded Queen Scout. He later filled the appointment of Cadet/Captain with the PPCLI Cadet Corps here. David attended Griesbach School No. 1 and St. Joseph's High. He completed Grade 12 at Halifax West High School, Halifax, Nova Scotia where he has been residing with his parents SM (WO 1) and Mrs. B. J. C. Lewis.

"FRILLS AND SPURS" SQUARE DANCE CLUB

A special invitation is extended to you, the readers of Griesbach, to come and spend a memorable evening with us, an evening that you're not likely to forget. Your contribution in friendship and laughter, will go a long way to make this club the best in the west.

Our caller, Ed Murray, with ten years of experience in calling, will keep your feet dancing to the most up-to-date square dance tunes. Much to your surprise, he will have you and yours, with the least effort, waltzing to the most melodious three-quarter time waltzes, and to top it all, (and this is one on our teenage kids!) ,he will have you doing the twist to the tune of 'The Sugar Blue Mixer', which is a two-step round dance, and others. What more could we possibly ask for one evening?

So plan now for the long Alberta winter, come and have the time of your life at the RCAF Namao Square Dance Club. We kick our heels every Saturday night, in the school gymnasium from 8:30 p.m. to 11:00 p.m., and there is lots of parking facilities. We will see you?

Air Evacuation Successful

TRENTON, ONT. — The RCAF's Air Transport Command Pukon chalked up another "first" when it completed the first practise air evacuation of some 80 simulated casualties recently.

The 'patients' ambulatory and on litters, were loaded aboard a Yukon of No. 437 'Husky' Squadron, based here, with their attendant medical assistants and flight nurses. The Yukon took off for RCAF Station Namao, Alta., landed and then returned to Trenton.

Speed is vital in medical treatment of casualties and accomplishes important objectives such as reduction of loss of life through shock, shortening of hospitalization period, increase morale of the patients and also cuts down the number of permanent disabilities.

The environment of the Yukon cabin, in general, can be, and was, made aqual to that of a hospital ward in that it was well ventilated, temperature controlled and free of dust and dirt, enabling the six nurses and medical assistants to carry out their duties in the same manner as in a hospital' said Flight Lieutenant S. A. Khan, Deputy Staff Officer of Medical Services for Air Transport Command, officer in charge of the exercise.

The successful completion of the practice evacuation points up the capabilities of the Yukon aircraft for use in national and international emergencies.

PARLEY VOUS

The school teacher had suddenly recollected that the day was the anniversary of the birthday of Joan of Arc.

"I wonder," she wondered aloud, "if any of my little pupils can tell me the name of the best loved girl in all France."

"Aw, that's easy," snorted a small boy, whose father had served overseas, "Mademoiselle from Armentieres."

ATTENTION ROCKHOUNDS

A new Lapidary Club in Edmon-
ton, to be known as the Gateway
Rockhounds, is in the process of
being organized. Field trips are
already underway and will con-
tinue each Sunday until the
weather closes in.

It is intended to run courses,
on both lapidary work and on
silversmithing, during the winter.
Further details can be obtained
from Cpl. Bones GR 9-7378 or from
Edmonton Rock and Gem Supply,
7605 - 104 Street, Edmonton.

2 PPCLI NEWS

GENERAL

Most personnel of the battalion have now completed firing the annual Weapon Classification at Camp Wainwright, and the battalion now settles into the winter training routine. The airborne company has resumed airborne training with a continuation and exercise parachute drops in early October, more are planned for the near future. The remainder of the battalion is involved in the normal fall training cycle. Unit support weapon course and non-unit courses will be getting into full swing by the end of this month.

OFFICERS' MESS

During the month of September the Home Station Officers' Mess has been relatively active. A luncheon was held on the 24 Sep. for the Director of Infantry, Col. W. D. E. N. Watson, MC, DSO, CD. This was the main social event of the month. A farewell was held in September for Capt. A. J. G. D. de Chastelain and Capt. G. A. Holmes, who were posted to AHQ Ottawa, and Lt. J. B. Standton posted to the RCS of I.

October witnessed a challenge from the Home Station Sgts' Mess to the Home Station Officers' Mess for an athletic competition. The minor games of badminton, volleyball and soccer were won by the Sgts. after a difficult struggle, but in the game of croquet the officers showed their native ability and soundly defeated the Sgts. (for those readers who are unfamiliar with the game of croquet it is one which requires a steady hand, a true eye and a high degree of physical fitness and control). In all cases the events were highly enjoyed by all participants.

A beatnik party was held on the 13th, this was a real way out affair, and I mean like, way out. Nothing more may be said, except that the party was the coolest, the grooviest and a great success.

The last of events of October was the farewell to Capt. C. B. Snider, now at HQ Alberta Area and to Lt. R. B. Stock, who is on exchange posting with the R22eR, Quebec City.

Plans are now well under way for the late fall, which should make for a very joyful pre-Christmas season.

Sgts.' Mess

Well, with most of the members back from Wainwright, the field of events are starting to take shape around the Home Station Sgts' Mess. An informal dance was held in the Mess on Sat., 29 Sep. 62, with music supplied by WO 2 Hardage and his Orchestra from the PPCLI Band. All members and guests had a very enjoyable evening.

The members of the Home Station Sgts' Mess were sorry to say good-bye to one of its old mem-

NAMED COMMAND CHAPLAIN (RC)

Lieut.-Col. J. F. Leduc, CD, of Montreal and Berthierville, Que., now deputy director of Chaplain Services (RC) at Army Headquarters, will be appointed Command Chaplain (RC) at Headquarters Western Command, Edmonton, Alta., in November, it was announced today.

Born in Montreal in 1916, Lieut.-Col. Leduc received his Bachelor of Arts and Bachelor of Theology degrees at Le Seminaire de Joliette, Que.

Since joining the Canadian Army in 1948 he has served as Roman Catholic Chaplain at Camp Borden, Ont., and as Senior Chaplain (RC) with 27th Canadian Infantry Brigade in Germany. On his return to Canada in 1953, Col. Leduc was appointed Command Chaplain (RC) at Headquarters Eastern Command, Halifax, an appointment he held until 1957 when he was named Deputy Director of Chaplain Services (RC) at Army Headquarters, Ottawa, Ont.

bers on Friday, 5 Oct. WO 2 McNally, the RQMS of the Regimental Depot for the past six years, retired from the Canadian Army after 23 years. All members wish him well on his retirement in Victoria, B.C.

The Mess also said farewell to the following members during the month of September:

Sgt. Witt — posted to 1 PPCLI
Sgt Edwards — posted to RCS of I.

Sgt. Bordelaau — posted to Int. Corp.

Sgt. Sschoop — posted to RCS of I.

We are sorry to see them leave the Home Station and wish them well in their new postings.

Mother was busy in the kitchen when Junior asked, "Daddy wouldn't murder anybody, would he?"

"Gracious no, what made you ask that?"

"Well, I heard him down in the basement saying, 'Let's will the other two, Joe'."

INFORMAL GATHERING FOR PADRE

An informal reception was held at the home of Major and Mrs. C. D. Nickerson on the evening

of Monday, 8 Oct. in honor of Colonel J. P. Browne, MC, CD, Deputy Chaplain General (Protestant).

Padre Browne was on tour of stations of Western Command. It is expected that this will be his last visit to Griesbach prior to retirement next spring.

CHRISTMAS CARDS

The Scouts are again selling excellent Christmas Cards at reasonable prices. By buying from the Scouts you not only support your boys in the Scout movement but procure attractive cards ready for that hectic pre-Christmas rush.

Watch for your Scouts selling them on the evening of Friday, November 2nd, 1962

Receives Certificate of Thanks

Capt. W. Westfall, Brigade S.O.P.T. (right), receives The Life Saving Society's "Certificate of Thanks" from Brigadier Michael R. Dare (left).
National Defence Photo

Capt. William Westfall, 37, of Trenton, Ont., an officer of the Regular Army now serving as staff officer in charge of physical training with Canada's NATO brigade in Europe has been awarded the Royal Life Saving Society's certificate of thanks.

The certificate was in recognition of his "devotion to the aim and objective of the Royal Life Saving Society" and his personal

interest and contribution to its work across Canada.

Since he started to swim in 1959, Capt. Westfall has earned every proficiency medal the Society awards including the bronze medallion, award of merit, and instructor life-guard.

Capt. Westfall was perviously chief instructor of the Army's Physical Training Center at Camp Borden, Ont.

A prospect for a life insurance policy was filling out the application form. Included in the information was the space for "weight of applicant". The applicant wrote "183 pounds with glasses".

The insurance salesman check-

ed the application after it was completed and asked why the applicant had stated his weight with glasses.

"Because," replied the applicant, I can't read the bathroom scales without 'em."
